

LIMITED ACCESS & TEMPORARY ROAD AND DRIVEWAY CLOSURES

Dear Residents,

During the coming weeks you will have limited access to West Street and to your individual driveways. It is imperative that you make plans to park on adjacent streets during these time frames to ensure no damage occurs to your driveway, concrete curbs and roadway which are soon to be replaced.

Effective 11-3-2025 the pavement on West Street will begin to be removed. Limited access on the roadway will occur throughout the day and through the balance of this week.

11-6-2025 - 11-7-2025 – Pending any inclement weather – **WEST STREET WILL BE CLOSED TO ALL NON-CONSTRUCTION VEHICLES.**

Week of 11-10-2025 - Pending any inclement weather – WEST STREET WILL BE CLOSED FOR PAVING OF ONE HALF OF THE ROADWAY. ACCESS TO RESIDENTS ON THE EAST SIDE OF THE ROAD WILL BE CLOSED AND THE NEW PAVEMENT CAN'T BE DRIVEN UPON.

Week of 11-17-2025 - Pending any inclement weather – WEST STREET WILL BE CLOSED FOR PAVING OF ONE HALF OF THE ROADWAY. ACCESS TO RESIDENTS ON THE WEST SIDE OF THE ROAD WILL BE CLOSED AND THE NEW PAVEMENT CAN'T BE DRIVEN UPON.

Week of 11-24-25 into Week of 12-1-2025 – Individual drive aprons will be poured, and residents will not be permitted to drive upon the freshly poured concrete for up to 5 days.

We thank you in advance for your patience and understanding during this time as we work to complete the balance of this project.

These dates are fluid and may change slightly due to weather conditions. Our on-site staff will update you accordingly to ensure disturbances and inconveniences are limited as much as possible.
